

## Opening Procedures for Burnaby Tennis Club

Please see the COVID-19 protocols put in place following Worksafe BC, Tennis BC and Health Authority.

We thank you for your cooperation and understanding during this transitional time.

-1 or 2 hour regular bookings will be allowed, however keep in mind that if you are playing on 2 different courts, there will be a waiting period of 15-30 minutes in between the bookings. No waiting will be allowed in the annex. You may wait outside, in your car, or overflow waiting area in the clubhouse upstairs with limited capacity. We understand this is not ideal but this is to ensure a safe environment for all

-24 hour bookings are allowed for 1 or 2 hours. **2nd hour MUST be on the same court** and are no longer allowed on different courts.

## Bubble

- Masks are mandatory when entering and exiting the bubble and annex area. Masks may be removed once on court.
- 1 person at a time allowed in airlock (entrance) unless from the same household
- The annex will be divided to separate players entering and exiting the bubble
- Follow the 2 metre physical distance by standing on place markers in the annex
- Seats have been removed so players must come dressed and ready to play or get ready on court e.g. change their shoes
- Hand sanitizer is at annex entrance, sanitize your hands upon entering the bubble
- Use the curtain to access courts 1 through 3 and ensure that the curtain walkway is clear before proceeding to ensure no crossing of paths. Please remember to keep 2 metre distance
- Wait until the buzzer sounds before proceeding onto the courts and continue to maintain the 2 metre physical distance with other players.
- Hand sanitizer and disinfecting spray for seating area available on each court. We encourage you to disinfect the seating area at the start and end of your game.
- **Garbage cans will be available ON COURT ONLY. No recycling bins will be available. Please take home all personal garbage and recycling.**

## Play

- Masks are mandatory when entering and exiting the bubble and annex area. Masks may be removed once on court.
- To ensure physically distancing, you MUST arrive and depart at your specified court booking time.
- The annex will only be used for entering and exiting, no waiting, sitting or changing.
- Proceed to your court only when the buzzer sounds and play has stopped. Keep physical distance of other players. We recognize that the buzzer will be going off frequently and we are exploring other options.
