Subject: Burnaby Tennis Club Agenda - October 12 2016

Please see the attached DRAFT Agenda for tomorrow's meeting. Please add an item if you wish it to be discussed by the Board.

It is too late to ask for your **"Annual Reports"** that we will require for the AGM for tomorrow's meeting, but I will **require them by MONDAY OCTOBER 17TH, 2016**, so that they can be included as part of the package to the membership prior to the meeting and form part of the Power Point for discussions should it be needed during the AGM meeting.

Okay?

Thanks g
